

FOR IMMEDIATE RELEASE

Free Vaccine Receipt Printing at Ajax Public Library

7 September 2021—Ajax Public Library is offering free printing for vaccine receipts for any person who needs it.

With a proof-of-vaccination system coming into effect September 22, the Library is eager to support Ajax residents. The Library offers free WiFi to download vaccine receipts to your device, and free computer use for anyone who needs to access the provincial portal for their receipts.

To help reduce barriers to accessing services which will require the vaccine passports, the Library is also offering free printing for any vaccine receipts. Simply speak with Library staff and have them waive the printing fee.

All three branches of the Library are open Tuesdays through Saturdays, 9:30 a.m. – 7:00 p.m. and Sundays 12:00 noon – 5:00 p.m. All visitors are asked to wear a mask for the duration of their visit.

More information about current Library services can be found on the Library's website at www.ajaxlibrary.ca. For updates, be sure to follow the Library on Facebook, Twitter, or Instagram.
