

FOR IMMEDIATE RELEASE

Extended Hours at Ajax Public Library

7 March 2022—Ajax Public Library is extending hours further into the evenings starting Tuesday, March 15. This change brings the Library closer to pre-pandemic service, with Tuesdays through Saturdays open 9:30 a.m. to 9:00 p.m.

The Library had previously reduced its hours in response to COVID-19. This expansion into later evenings is an exciting next step as Ontario cautiously eases public health measures, allowing customers expanded access to Library services. Along with extended hours, the Library is starting to offer more in-person programs, as well as continuing to offer online options.

The Library continues to follow Ontario's current public health measures. Masks and social distancing are still required at all branches. Capacity limits within the branches are no longer required, except in meeting rooms, where capacity signage is posted.

All three branches of the Library are also open Sundays 12:00 noon – 5:00 p.m. The Library remains closed on Mondays.

More information about current Library services can be found on the Library's website at www.ajaxlibrary.ca. For updates, be sure to follow the Library on Facebook, Twitter, or Instagram.
