

Donor Wall

Today's Gift.
Tomorrow's Legacy.

About Our Donor Walls

Donor Walls are available at the Library's Main and Audley Branches to recognize those who contribute a monetary gift to the Library. The funds donated are used in a variety of ways, including on-going improvements to our facilities, enhancement of our collections and expansion of our free programs and services.

With a minimum donation of \$200, a piece will be personalized with the name and/or message you choose (some restrictions apply).

To make a donation, please complete the Donation Form on the opposite page and return it, with payment, to the Library. You will receive a tax receipt shortly after your donation submission.

Main Branch

Established in 2001 as part of the Friends of the Ajax Public Library's "Million Dollar Campaign" to raise funds to build the Main Branch, the Donor Wall is a source of great pride for the library and its staff. At Main Branch, donors receive one metal plate on a book spine in the wall of the lobby.

Audley Branch

Audley Branch opened in 2019 and has quickly become a popular community destination. Donors receive a hexagon that will contribute to the growth of the Library and its community, visible right in the entry of the spacious branch.

About Ajax Public Library

On December 13, 1952, the first Ajax Public Library opened with just 1,175 books and served a population of just over 4,000 residents.

Today, Ajax Public Library is a welcoming space empowering success in its community. With three branches, plus an express branch, the Library designs experiences and connections where community, discovery, and innovation intersect.

The Ajax Public Library Board, staff, and volunteers look forward to serving the Town of Ajax residents today and in the future. Your support is greatly appreciated.
